

Job Title: General Manager (GM) Commercial

Department: Operations

Job Summary: Jain Group is seeking an experienced General Manager (GM) Commercial to oversee and manage the commercial aspects of the company's operations. The ideal candidate will have a strong background in commercial management, strategic planning, and leadership.

Key Responsibilities:

- **Commercial Management:** Oversee all commercial activities, including contract negotiation, procurement, and vendor management.
- **Strategic Planning:** Develop and implement commercial strategies to achieve business goals and objectives.
- **Leadership:** Lead and mentor the commercial team, fostering a culture of continuous improvement and high performance.
- **Budget Management:** Develop and manage commercial budgets, ensuring financial efficiency and accountability.
- **Risk Management:** Identify and mitigate commercial risks associated with projects.
- **Compliance:** Ensure compliance with all relevant regulations, standards, and company policies.
- **Reporting:** Prepare and present detailed commercial reports to senior management and stakeholders.

Required Qualifications:

- **Skills:** Strong strategic planning and organizational skills, excellent leadership and communication abilities, proficiency in commercial management software.
- **Personal Attributes:** Detail-oriented, ethical, proactive in identifying and resolving issues, and strong leadership abilities.
